## A PARTY FOR THE PARTY

*Witness Libertarian History in Illinois*

What: Election Night Party

When: Tuesday, November 4<sup>th</sup> at 6pm

Where: American Tap Pub & Grill

701 W Lake St. Addison, IL

Elections are tomorrow and the Libertarian Party of Illinois is feeling great about its odds. We are on the verge of becoming an 'established' party and preparing candidates who will provide real alternatives for Illinois' voters. Therefore, we are going to celebrate, and you're invited.

The Party: Candidates, Directors and Members from as far away as Southern Illinois will meet Tuesday evening at the American Tap in Addison to take it all in together. We will have TVs tuned to all news outlets for live tracking of every available tally.

This will be your opportunity to meet many of the dedicated individuals who will collectively lead Illinois' Libertarian Party into its age of prominence. We would welcome sharing the experience with you, answering your questions, and maybe even converting you to the movement. Additionally, the American Tap offers a selection of craft beer and great food to carry us into the night.
